

# Ask every patient for their mobile number

## Text messaging works!

### HOW IT WORKS

- 1 Ask for the patient's **mobile number**.
- 2 Navigate to **Patient File>Select Patient**.
- 3 Tab to **Notify** and mark as **Y**
- 4 **Enter the mobile number**, mark the location as Home, and mark **Mobile Service as Yes**. Click on ADD [F3]
- 5 **You're done!** Your patient will receive a welcome message and text messaging will be activated.

## Let the patient know they will get a welcome message.

The patient will get a text that looks like this:

Patients can stop messages at any time by replying with **STOP**.
