## Say Goodbye to Y!

Starting soon, patients will be registered for text messaging as soon as you enter their phone number in EPS. Patients no longer have to reply with Y to confirm their registration

_	HOW IT WORKS		-
1	Ask for the patient's <b>mobile number</b> .		
2	Choose <b>Enrolled</b> from <b>Mobile Services drop- down</b> and enter patient's mobile number in the <b>Mobile Services Number</b> field.	Mobile Services	0
3	Select <b>Save</b> . Ignore the Auth Code. Patients will no longer need it.		

## Let the patient know they will get a welcome message.

The patient will get a text that looks like this:	9:41 • • • • • • • • • • • • • • • • • • •	9:41 9:41 () 66923 () () ()
Patients can stop messages at any time by replying with <b>STOP</b>	<pre><pharmacy> Rx: Thank you for enrolling in text reminders &amp; health msgs. Terms @ http:// mrx.bz/mxt. Reply STOP to cancel, HELP for help. Msg&amp;DataRatesMayApply</pharmacy></pre>	<pre><pharmacy> Rx: Thank you for enrolling in text reminders &amp; health msgs. Terms @ http:// mrx.bz/mxt. Reply STOP to cancel, HELP for help. Msg&amp;DataRatesMayApply</pharmacy></pre>
R		Future texts will show the names of your meds. The texts may not be private. To change preferences, including to hide drug name, reply P.
